

If you want a morning off cooking up the big bacon and egg brekky in the holiday house why not head down to Vibez cafe for an all day breakfast or light lunch. Vibez is in the main street of Lakes Entrance almost opposite the walkbridge to the main beach - so you could also drop in for a bite after sunning yourself on the beach. You are on holidays after all so may be in the mood for a beer or wine with lunch; they are licensed so have it covered.

There is a great regular breakfast selection and generally three or four specials to choose from also. Eggs Atlantic is a favourite - poached eggs on a muffin with spinnach and smoked salmon - Yummm. Lunches are also great. The lamb fillet salad was cooked to perfection and very melt in the mouth. All meals are reasonably priced, and portion sizes are generous.

Not interested in a big meal? Then drop in for coffee and cake. The ambience is great, the staff friendly, the coffee is good and they have a nice selection of very tempting cakes.
